The Product Certification Body with positive results applied certification scheme 3 in accordance with DIN EN ISO / IEC 17067 and the relevant parts of the specifications above. The certificate confirms the same time, that the manufacturer has created prerequisites for ensuring the stability of quality. This certificate was issued based on the product description, documentation and assessment results listed in the Final Report no. **373500417/2015**.

This Certificate is issued under following conditions:

1. It applies only to the above referenced models of the product.
2. The manufacturer is obligated to assure that all products of the respective models conform to the type assessed by this Certificate.
3. The validity of the certificate is conditioned by positive results of surveillance audits and control tests or assessments carried out at least once a year by the product certification body.
4. The Certificate holder is obligated to inform the Products Certification Body on the raw materials and/or technology changes that may affect the certified product properties.
5. The Certificate holder shall adhere to the 'Rules of Certificate Use' by exploitation of the Certificate. The Rules are published on www.itczlin.cz.

Issue date:

28-07-2006

Valid until:

31-07-2018

Revision c)

24-07-2015

(Replaces the certificate No. 06 0382 V/b issued on 19-07-2012)

Ing. Pavel Vaněk
Head of Certification Body
